Dear Doctor DeLee,

I am very proud and happy to have been a winner of the Morris and Dora DeLee Award of Honor, and I gratefully acknowledge the receipt of the Defense Bond and Americanism Medal.

The Medal is the most beautiful design I have ever seen portraying symbols of Almighty God, and the Emblem of our beloved country. It will be a constant reminder of the duty and loyalty we owe to both.

With many thanks for the bond and medal and praying that God may bless you,

I am

Sincerely,
Clara Malone
